This year, all games at OGMS begin at 4:30 P.M. This schedule reflects specific teams that will

compete for us each night. **Please make note of the 7th grade games, for they do not play every night.**

The order listed from left to right is the order in which the teams play. 8th grade teams compete nightly unless

otherwise specified. Game duration is about an hour, sometimes shorter or longer. It is best to arrive early.
